Dear Parents

Bad Weather Plans.

There is the possibility of adverse weather conditions over the coming days. I know some people will have their fingers crossed for snow, just as others are hoping it misses us completely. Here is the key information about school closures:

Key Information.

- If it starts to snow during the school day and you are concerned about being able to get to and from Portesham safely later in the day, you may come and collect your child/ren
- If school closes during a school day we will contact you to notify you of arrangements – please make sure your contact details are up to date.
- If the decision to close school is made before a school day starts we will update the school website and Dorset For You website and cancel the school buses. Please check the websites for information.
