Dear Parent/Carer

SUN PROTECTION GUIDELINES

In anticipation of warm weather this term (we can but hope!) can I ask for your child to come into school with a suitable hat and a high factor sun cream applied before they come to school. . .

If your child is particularly vulnerable to sun, could you also send in a bottle of named sun cream and discuss with them how and when to apply it correctly. We are not able to supply and apply sun cream due to the possibility of your child having a reaction to it.

We will encourage children to sit in the shade as required at break-times and drink plenty of water.

Thank you for your cooperation.

Yours faithfully

Mrs V Prior
